Change in leadership of Access Now, Inc.

Hello, again, everybody! I am writing to confirm that the leadership of Access Now has officially changed effective December 4, 2013. The new President is David New. However, I will remain as President Emeritus.

I have introduced you to him before this via our October 2013 Newsletter. (You can find it on our website at adaaccessnow.org.) Again, I will tell you that David is a brilliant, dedicated, conscientious advocate for the disabled. He himself is blind and so possesses a unique understanding of the issues involved in our mission. I have tremendous confidence in his ability and enthusiasm to continue our work!

Contact information is as follows:

David New
1616 Michigan Avenue Apt. #1
Miami Beach, Florida 33139

Tel. 561-703-9716
Fax 305-674-7359

I will be staying in close touch with David, as I leave Access Now with bittersweet feelings. All my best wishes for the New Year ahead and for continued success in handicapped accessibility progress!

Phyllis F. Resnick
(President Emeritus)
